

## INSTRUCTIONS FOR DOWNLOADING AND USING MOBILE APP

1. It is observed that the Android app made available through the QR code on the back of the NSSS registration code is still occasionally downloading a demo app instead of the real app. To resolve this issue participants are requested to fully clear all cache of their browsers as indicated below (select only cache and all time) as well as the camera/QR scanner applications

and delete the old APK file before retrying the download and installation

2. The installation process may show warnings since this is direct APK installation, please allow installation wherever prompted
3. In case still facing issues, the latest mobile app maybe please downloaded from an alternative direct link <https://nsss2026.in/files/nsss2026app.apk>
4. For logging in please use the email ID used during registration
5. **The mobile app APK has been updated last on 22<sup>nd</sup> Feb 2026 late evening** – hence all participants are requested to uninstall and do fresh download and installation
6. In case of any issues please contact Siddhartha Bhuyan (NSSS Web Administrator) at +91-9085995599
